Project Verification Form

(2-D Art, 3-D Art, Documentary, Genealogy, Historical Exhibit, Kentucky Heritage Performance, Paper, Performance, and Photography)

All Categories:

Students must sign and have a parent sign the following and attach it to the annotated bibliography of each project they submit.

I verify that the following project is the result of original work. Parents, teachers, and any other professionals utilized in the completion of this project were only consulted.

If special circumstances (a disability, etc.) required someone else to become more involved in the project's completion, please explain:

Student Signature: _____ Date: _____

Parent Signature: _____ Date: _____

For Advanced Genealogy:

Sponsors must also sign to confirm that the student completed new research on their beginning genealogy project. **Division I and II** students are required to have completed at least **five hours** of new research and **Division III** students must have completed **eight hours** of new research. Individual members who do not have a sponsor may have a parent sign.

In doing their advanced genealogy project, I verify that my student completed the required amount of new research.
