**\*\*Essay:** Prepare an essay and attach to this application form. The essay should discuss why you are seeking an internship, especially as related to your academic or professional development and goals. Discuss why you would be a good intern. Indicate the types or areas of work in which you wish to participate and experience. Explain why the Kentucky Historical Society staff and facilities are particularly well suited to your needs. The essay should be between 500 and 1,000 words. Separate essays are required if you are applying for multiple internships.
