Narrative Report

Please use a maximum of two pages to respond to the items below and attach to this form in your final report submission. The KOHC may use this report to highlight the accomplishments of the project (ie: website, blog post or marketing tool), so please consider writing this portion in a public voice.

Please Address:

- Whether your original project goals described in your KOHC project grant application were completed.
- Interesting points that you and/or your project colleagues discovered during the course of the project.
- Any challenges you faced and methods of dealing with those challenges.
- Anything you learned from the process of managing this oral history project grant or conducting this set of interviews.

Please include any additional evidence of the impact of this project, including photographs, flyers, newspaper clippings, etc....

I certify that I am legally authorized to submit this report on behalf of the grantee and that the foregoing statements and enclosures are true and complete to the best of my knowledge.
