- Evidence of research on the proposed topic.
- Knowledge and experience with the content and community.
- Topic’s significance to Kentucky history and/or culture.

Originality and Quality – 30%

- Project originality for the proposed topic.
- Oral history experience (and advisor if applicable).
- Diverse perspectives represented in the project.
- Proposed project participants.

Planning and Implementation – 30%

- Practical budget.
- Appropriate timeline.
- Project assessment plan.

Anticipated Accessibility of Finished Project – 15%

- Oral history archive partners.
- Public accessibility.
- Anticipated use of material.

** The KOHC reserves the right to give special consideration to applications aligned with current funding priorities.

Eligibility Requirements – The following may apply:

- Any nonprofit institution or organization with an existing oral history program.
- Individuals or organizations employing individuals with documented training and experience in oral history.
- Individuals or organizations employing individuals with some experience in the practice of oral history who have obtained an **institutional or professional advisor** with professional training and experience in oral history.

All applicants must have a **written agreement with a KOHC accredited Kentucky repository** for storage of and access to the interviews. Accredited Kentucky oral history repositories include: Kentucky Historical Society, Louie B. Nunn Center at the University of Kentucky, William H. Berge Oral History Center at Eastern Kentucky University, Oral History Center at University of Louisville, Berea College Special Collections and Archives, Western Kentucky University Manuscripts and Folklife Archives. User copies may be provided to additional secondary repositories. Projects will not be funded if the applicant has an outstanding final report or delinquent interviews funded through the KOHC or other KHS program.

NOTE: Applicants may not apply for more than one KOHC grant in a single cycle. Applicants may not apply for funding for the same project in consecutive grant cycles (e.g., after receiving a project grant in FY19-02, an applicant must wait until FY20-02 to apply for additional project funding, a transcription or indexing grant, or a presentation grant. The project is ineligible for KOHC funding during the FY20-01 cycle.)

Amount of Funding – Funding requests may not exceed **\$7,500**. All applicants are required to provide a 1-to-1 match (i.e., matching funds must be equal to or greater than requested amount). In-kind costs (non-cash, such as donated professional services, office space, etc.) qualify as matching expenses. KOHC funds may not be matched by KOHC equipment, funds, or staff time.

Calculating In-Kind Match – In-kind match may include donations of equipment, office supplies, travel, work space, or the monetary value of time contributed by professional and technical personnel and other labor, if the services provided are an integral and necessary part of the funded project. In-kind expenses must be recorded at the current fair market value (FMV) of the contribution. The value placed on donated services must be consistent with the rate of compensation paid for similar work in an organization or the labor market. The basis for determining the value of personal services, material, equipment, and space must be documented.

- **Donated Time** – the cost of donated time by consultants or volunteers must be calculated at an hourly rate of service. If a FMV for these rates does not exist, the KOHC suggests **\$50 per hour of consultation** and **\$15 per volunteer hour**.
- **Equipment** – the cost of recording equipment will be designated at the FMV of the equipment of the same age and condition at the time of the request. The cost of other digital equipment required such as computers and printers will be calculated at a fair rental value of the equipment.
- **Space** – donated space (office, work, or interview space) should be calculated at the standard rental rate for size and use of comparable spaces if no rental fee is assigned to the specific space. If no value is assigned (such as an in-home office), use the following equation for the space: calculate the percentage of the home used of the total square footage of the house. Calculate your total annual property overhead (property taxes, insurance, mortgage payments, and utilities). Determine an annual space cost by multiplying the annual property overhead by the percentage of the home used. Calculate a daily fee for the space by dividing the annual space cost by 365 days. Multiple the daily cost by the number of days the space will be used for the project.

Example of donated home office space formula:

- 200 sq. ft. space of a 2,000 sq. ft. house = 10% of the home used
- \$500 per year property tax + \$400 per year property insurance + \$6,000 per year mortgage payment + 2,400 per year utilities costs = \$9,300 annual property overhead
- 10% of \$9,300 = \$930 annual space cost
- \$930 divided by 365 days = \$2.54 daily cost
- \$2.54 daily cost x 10 project days = **\$25.40 TOTAL IN-KIND MATCH**

Funding Priorities – Applications are not limited to specific subjects. However, the Commission may give primary consideration to the following areas:

- Social movements, citizenship, and civic action.
- Women’s, ethnic, and minority histories.
- Experiences of the COVID-19 global pandemic in Kentucky.
- Industrial or economic development.
- Political, business, and cultural leaders.
- Land use patterns (i.e., changes in agriculture, sustainability).
- Other topics of statewide significance not widely documented through oral history.
- Timely topics of relevance to current events, anniversaries, etc.

Items Eligible for Funding – Funding can be provided for the following:

Travel and Subsistence – The Commission will consider funding both in-state and out-of-state travel. Requests should reflect the following state reimbursement rates: \$100 per night for lodging, and \$36 per day for meals for in-state travel, or \$44 per day for meals for locations designated high-rate areas (for a list of these areas contact the Commission). Check mileage rates here: <https://finance.ky.gov/services/statewideacct/pages/travel.aspx>. Funding in excess of state rates will not be considered. Requests for air travel must reflect coach rates at the lowest fares.

Supplies and Equipment – In addition to general supplies (paper, labels, etc.), the Commission will support the purchase of audio and video recording media (storage cards and external hard drives) as well as audio recorders, microphones., and other equipment. **Upon completion of the project, recorders and microphones purchased with funds provided through the grant program must be returned to the Commission.** Contact the Commission prior to application submission for a list of available recording equipment. The Commission will pay for the rental, not the purchase, of video recording equipment. The Commission reserves the right to suggest or revise equipment purchase requests and vendors. Unless the applicant has a justifiable preference for particular media or recorders, the Commission may choose to supply the applicant directly with such equipment.

Services (temporary) – For the duration of the COVID-19 pandemic, the Commission will allow for the purchase of an annual subscription to a video conferencing or similar service, such as TheirStory. Such services must adhere to the highest possible audio recording standards, and comply with the privacy and other conditions of the Oral History Association’s Principles and Best Practices. The Commission reserves the right to suggest or revise services and vendors.

Stipends – The Commission will fund **\$100 per interview hour for a project interviewer with documented experience and/or training in oral history research.** (NOTE: For projects involving a series of interviews with one individual, the interviewer will be paid per interview session.) In reviewing stipend requests in excess of the above, the Commission takes into consideration the complexity of subject matter and the experience and training of the interviewer. Applicants having additional personnel expenses are encouraged to develop other sources of income to complement the Kentucky Oral History Commission grant award. The Commission will fund additional project personnel costs, **only if the personnel are essential to the completion of the project.** For example, interviews conducted with non-native English speakers in their native language may request funds to cover fees for a translator. Applicant must justify the request through the FMV.

Video-history – The Commission allows the use of video oral history only when the subject matter is considered appropriate to this method of documentation and the personnel are qualified. The Commission retains the right to decide whether or not proposed video-history is justifiable. Video-history applications will be subject to the same \$7,500 request cap and 1-to-1 match required of other project grant applications. However, the Commission will consider items of expense in addition to those detailed above in acknowledgement of the diverse needs of a video-history project. Such items must be well justified in the proposal. All video-history applications will be subject to review by a panel of experts in the field of media production who will advise the Commission on the technical aspects of the proposal, specifically, the qualifications of personnel, quality, and suitability of equipment, and practicality of the work plan. The designated repository must be accredited to accept and maintain video files.

Items Ineligible for Funding – The following expenses CANNOT be paid using KOHC funds, but *may* be purchased with matching funds or used as an in-kind matching if integral to the project:

- Indirect costs.
- Office rental expense.
- Stipends and salaries for 1) project directors who do not conduct interviews and 2) secretarial/clerical personnel. (When using these amounts as a match, all such personnel must be work directly on the project in some capacity.)
- Equipment other than recording media and audio recorders. (Specifically, the Commission will not fund the purchase of photographic equipment, computers, and video equipment.)
- Activities funded through of the KOHC grant categories (i.e., transcription, indexing, and presentation).
- Printing of promotional materials or other promotional activities.
- Production costs directly related to audiovisual, television, or other media presentation.

To Apply – The deadlines for application submission are **Oct. 5, 2020**, or **March 22, 2021**. All applications and supporting materials must be **postmarked or delivered** by the deadline. Applications and supporting materials sent via email will not be accepted. The completed application along with any required work samples and support materials must be received in the KOHC office within seven calendar days of the deadline date. The applicant is required to provide the Commission with the original, single-sided, unstapled grant application signed in **red ink**.

NOTICE: If reapplying for an unfunded application or a continuation of a project previously funded by the KOHC, applicant **MUST** treat the application process as if applying for a new grant. Include information about previously-funded project outcomes, but do not omit key application questions with the assumption that the grant review committee will remember the previous application. The grant review committee changes panelists cyclically.

How Decisions are Made – A qualified panel comprised of KOHC members and advisors review the applications and work samples according to the specific grant guideline requirements. The panel’s recommendations are forwarded to the KOHC for the final decision.

Crediting the Kentucky Oral History Commission and the Kentucky Historical Society – Grant recipients must give credit to the Commission and the KHS in all published materials (print and electronic) that result from KOHC funded oral history projects including exhibits, web sites, advertising promotions, news releases, printed programs, catalogues, flyers, posters, literature, film/video credits, public broadcasts, and other publicity. Repositories housing KOHC funded collections must credit the Commission as funder in catalogues, OHMS, finding aids, and other public access platforms. Contact KOHC staff for appropriate logos or wording of credits. It is important that the public be made aware of the use of tax dollars for oral history documentation. Failure to comply with this requirement could jeopardize future funding.

For technical assistance or answers to project-related questions, applicants are encouraged to contact Oral History Administrator Sarah M. Schmitt. For feedback on a developing KOHC grant applications, submit a draft to the oral history administrator at least two weeks prior to the grant deadline. This is strongly encouraged for first-time applicants. Draft applications can be emailed for review.

Complete this form and submit a signed copy as the coversheet for your entire application.
